But it is up to you to decide what role they will play We are going to play! With matching character sprites, fighters, SV fighters, face sets, and portraits, you'll be.. And it doesn't matter if you're playing as one of the heroes and not a character, you can still feel that feeling. What you don't know is that in Diablo II you don't just play one of the characters. You play with characters. And that adds some unique elements to the RPG, doesn't it? And at the moment, the game does not contain them in full. Diablo II, for example, supports a level system that allows you to play as a character of a certain level.
