I have just purchased a Couth manual for a MC2000. Does the MC2000 come with a manual? They seem to be very hard to find. Any ideas where I could get one? Thanks! I have an install question if you're able to answer. I bought a Jetico 2000 manual from a local website called screen. I am a little confused about the installation. The manual states " A manual air blast unit. How do I know if I should connect the line and return pipe together on the side where the air blast control valve is? Thanks for your help! If you have your own manual JEITACO2000 manual that you can send me, I will post you my video where I complete my installation.
